

Copy Text to Clipboard - Macro

```
Sub CopyText(Text As String)
    'VBA Macro using late binding to copy text to clipboard.
    'By Justin Kay, 8/15/2014
    Dim MSForms_DataObject As Object
    Set MSForms_DataObject = CreateObject("new:{1C3B4210-F441-11CE-B9EA-00AA006B1A69}")
    MSForms_DataObject.SetText Text
    MSForms_DataObject.PutInClipboard
    Set MSForms_DataObject = Nothing
End Sub
```
